

Ghost Net Weaving Crafternoons

To celebrate AIMS' 50 year anniversary Zero Waste Magnetic Island weavers are collaborating with the Ghost Net Collective and Erub artists on a woven sculpture that will tell stories about AIMS science and important ocean issues, and be linked to fabulous educational content aligned with the Australian curriculum. We meet each Tuesday from 1.30pm-3.30pm until the end of May 2022, at either 93 Mandalay Ave or 58 Mandalay Ave – depending on the weather!! For more information on how you can join in, contact us on zerowastemi@gmail.com.
