

# ORIGAMI BOXES-

Recycle old cards, calendars, magazines covers or pages.

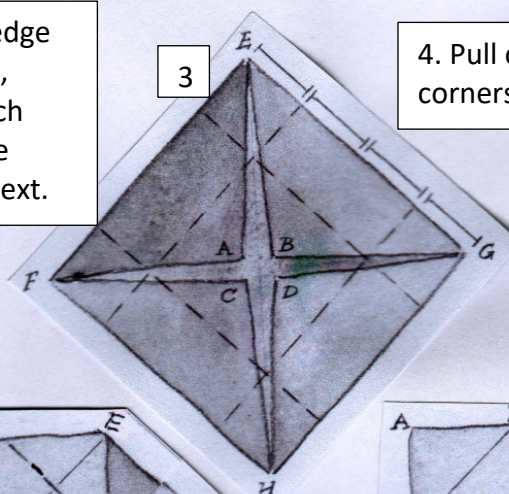

1. Start with a square and mark the centre point.

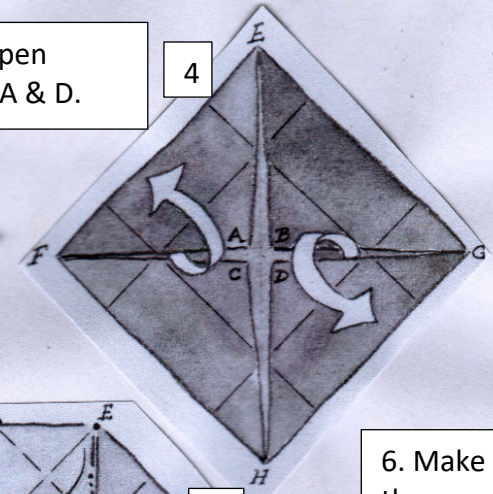

2. Fold corners to the centre. (The existing creases are mountains)

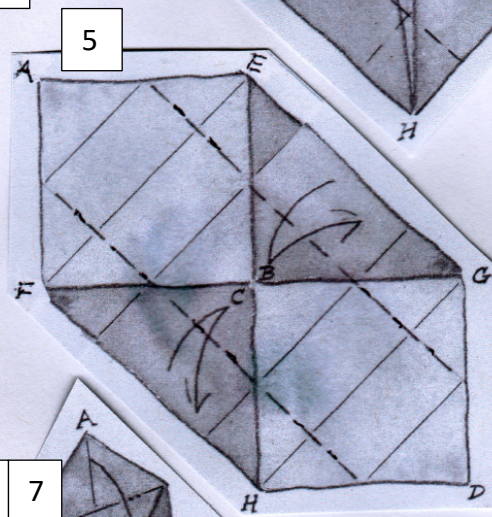

3. Fold each edge to the centre, unfolding each crease before making the next.

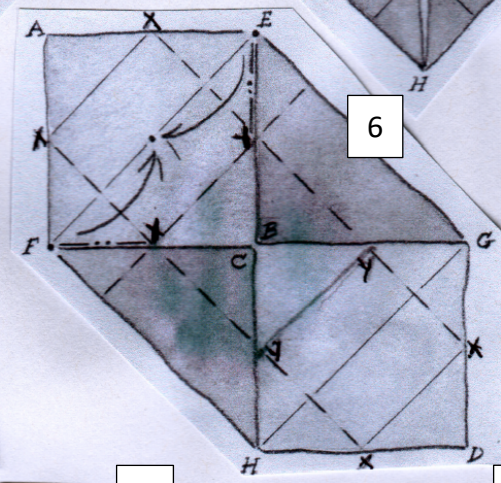

4. Pull open corners A & D.

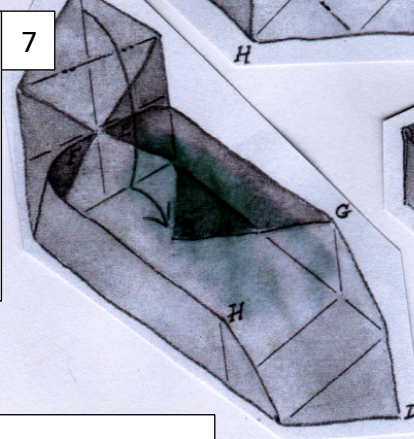

5. Re-crease valleys where shown.

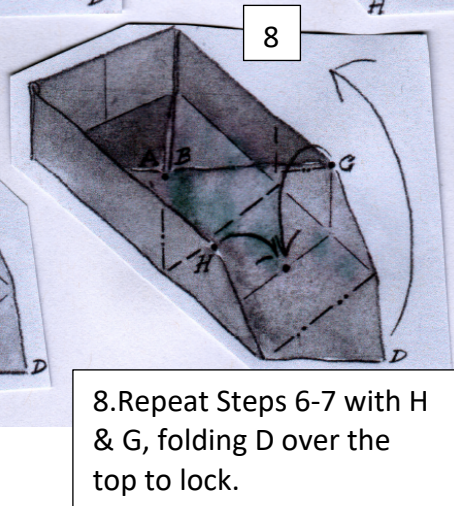

6. Make the paper 3D by bringing F to E to the centre dot (or cut X to Y lines & fold flaps across)

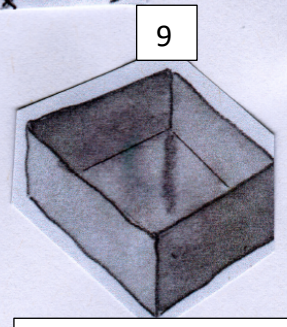

7. Fold like this. Lock the end of the box folding A over the top into the middle.

To make a lid, cut the square 1cm larger.

8. Repeat Steps 6-7 with H & G, folding D over the top to lock.

9. the Traditional Box complete.
